## 8. Purchase Order Issuance

**A Mastercard Purchase Order can only be issued after this SOW has been fully executed by both parties.**

**9. Additional relevant documents attached to this Statement of Work (e.g., Proposal, Power Point Presentations)**

[illegible]

Please refer to using a [swarm method](#) for more information on how to send CSR

A purchase, debit/credit, or capture response from Mercado Pago gateway may contain the fields **payment\_type\_id**, **payment\_method\_id**, **issuer\_id**, and **collector\_id**. These fields tell you the type of payment, card brand, issuer, and collector that Mercado Pago inferred for the transaction. A response will also contain an **authorization\_code** when one is associated.

When using the **gateway\_processing\_mode**, you may receive more gateway specific response fields: **processing\_mode**, **merchant\_account\_id**, **merchant\_number**, **acquirer**, and **in\_acquirer\_reconciliation** param which will be an array of one or more objects.

Additional gateway specific response fields may include **taxes\_amount**, **money\_release\_date**, **date\_approved**, **owner**, **identification\_type**, **type**, and **fee\_data** in object.

[illegible]

Spree supports updating the status of transactions that have been initiated at the MercadoPago gateway. MercadoPago currently supports using `gateway_transaction_id` or `order_id` for updates. The `gateway_transaction_id` would be the `payment_id`. While `order_id` is the external reference identifier used by the merchant in MercadoPago's system. See our [documentation](#) for more information.

#### 11. Processing of Personal Data of Data Subjects subject to the Data Protection Law of the respective jurisdiction under this SOW

☒ Check the box in case Supplier or any Supplier Personnel receives, has access to, or otherwise Processes Personal Data of Data Subjects subject to Data Protection Law under this SOW.

☐ EU Personal Data

☐ Non-EEA Personal Data

If above are checked, Supplier confirms to have signed the latest Data Processing Addendum to the Agreement, in a format provided by Mastercard, prior to the Processing of Personal Data in the context of this SOW and the Agreement. If the Supplier is Processing Personal Data pursuant to this SOW, then the Annex 1 shall be included as part of this SOW.

#### 12. The Services in the context of the payment and/or settlement activities ("Outsourcing Services") of the Mastercard entity authorized to operate a payment system in India ("Regulated Mastercard Entity") are subject to the Outsourcing Regulations issued by RBI.

☐ Check the box in case Supplier is a provider of Outsourcing Services subject to RBI Outsourcing Regulations under this SOW.

If the above box is checked, Supplier must have signed an Outsourcing Services Related Compliance addendum, in a format provided by Mastercard, prior to the start of the Outsourcing Services in the context of this SOW.

**Explanation:** Supplier's Outsourcing Services enable Mastercard to build, operate, run or maintain Mastercard's products and services, especially payment and systems operations in regulated markets like India, resulting in a direct or indirect benefit to Mastercard's customers or card-holders. Such Outsourcing Services exclude services that are used for internal administration, housekeeping, or similar functions.

#### 13. Additional Terms specific to this SOW

NONE

#### 14. General Terms specific to this SOW

In the event Mastercard has expressly agreed to pay any amount in advance to Supplier under this SOW and (i) Supplier, pursuant to its termination rights agreed under the Agreement or this SOW (if any), subsequently terminates the Agreement or this SOW for any reasons other than for material breach by Mastercard or, (ii) the Services and/or Deliverables mentioned in the SOW are not rendered or delivered for any reasons or, (iii) the Services and/or Deliverables rendered or delivered by Supplier are not in line with the specifications set forth in the SOW, Supplier shall refund to Mastercard all amounts paid in advance by Mastercard hereunder less all reasonable expenses and costs incurred by Supplier in performance of the SOW.

Mastercard entity entering into this SOW will be solely responsible for all of its conduct and obligations under this SOW. In connection with this SOW, Supplier entity entering into this SOW shall not bring a claim or have recourse against any Mastercard entity other than the Mastercard entity entering into this SOW.

This SOW incorporates, as if it were contained in this SOW, the Agreement and, if this SOW conflicts with the Agreement, the Agreement will prevail unless this SOW specifically identifies the conflicting terms in the Agreement and expressly states that those conflicting Agreement terms will not apply to (or are otherwise replaced by different terms specified in) this SOW, in which case this SOW will prevail over the Agreement. Capitalized terms used but not defined in this SOW are as defined in the Agreement. No amendment to this SOW will be effective unless it is in writing and signed by both parties, and Supplier shall not unreasonably refuse to enter into any such amendment requested by Mastercard.

**Counterparts; Electronic Signatures.** The parties may sign this SOW, in several counterparts, each of which will be deemed an original but all of which together will constitute one instrument. Parties agree that this SOW, subject to the applicable laws, will be considered signed when the signature of a party is delivered by (1) scanned image (for example, as a “portable document format” or “.pdf” file) as an attachment to electronic mail (email), or (2) use of an electronic signature process, and any such scanned, electronic signature is to be treated in all respects as having the same effect as an original signature, except that either party may require the exchange of original signatures.

Each party is signing this SOW on the date stated below that party’s signature.
