RE: Service Agreement dated Dec 23, 2020 ("Service Agreement") pursuant to the Services Agreement between Bandcamp, Inc. and Spreedly Inc. (the "Agreement").

Dear Bandcamp,

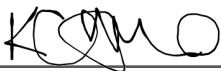

This letter will serve as written notice of Spreedly's decision not to renew the above-referenced Service Agreement.

As with any business, our operating costs increase as we add more features and benefits. This includes increased the cost of Spreedly's platform and API calls. Starting in 2022, we have implemented a 6% platform increase across all accounts for value-added products and features. We have also invested in infrastructure, resilience, and support to enhance customer experience.

We invite Bandcamp, Inc. to negotiate the terms of a new order form to replace the Spreedly services currently being provided under the existing Service Agreement. We trust that Spreedly has proven to be a reliable partner and look forward to continued collaboration for years to come.

Sincerely,

DocuSigned by:
