

CHANGE ORDER

This Change Order (“**CO**”) is an amendment to the Statement of Work (the “**Original SOW**”) entered into on or about July 22, 2022, by Grabango Co. (“**Grabango**” or “**Customer**”) and Spreadly, Inc. (“**Spreadly**”) and is incorporated into the Original SOW by this reference. This CO is subject to, made a part of, and governed by the Professional Services Agreement (“**Agreement**”) between Spreadly and Grabango, executed on or about July 22, 2022. In the event of any conflict between the Agreement and this CO, the terms of the Agreement shall prevail.

Description of the changes. Spreadly will perform the following services in addition to the other services described in the Original SOW (the “**Additional Services**”):

Implementation of Fiserv’s Field Level Encryption requirements for transmitting PCI Data:

- Addition of three fields to the Commerce Hub Gateway Token object
- Encryption of cardholder data fields for card transactions
- Updates to the source_data information sent to Commerce Hub on transactions
- Updates to Documentation with descriptions for Field Level Encryption facilitation

Timeline. The Additional Services will commence promptly and will add an estimated 5 weeks to the Original SOW timeline.

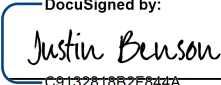

Additional Fees. As consideration for the performance of the Additional Services described in this CO, Company will pay to Spreadly \$10,800 to be paid within 30 days of receiving an invoice from Spreadly.

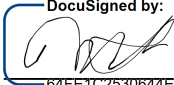

All other terms and obligations of the parties in Original SOW will remain unchanged and in full force and effect, including without limitation, delivery schedules and fees due.

By signing in the spaces provided below, the parties have executed this CO effective as of the last date of signature below.
