This Order Form is entered into between the entity identified above as “Customer” and Spreedly, Inc. (each a “Party” and collectively, the “Parties”) as of the last day it is signed (the “Order Form Effective Date”) and is subject to the Agreement (defined below) which is hereby incorporated by reference. For purposes of this Order Form, “Agreement” means the signed enterprise services agreement currently in force between the Parties, or, in the absence of an agreement, the Spreedly Terms of Service located at <https://www.spreedly.com/terms-of-service>.

In the event of any conflict between the terms of the Agreement and this Order Form, the Order Form will govern. Capitalized terms used but not defined in this Order Form have the meanings set forth in the Agreement or in the Documentation.

1. **Term.** The Initial Term of this Order Form is 12-months, after which this Order Form will terminate unless the parties agree in writing to renew for an additional 12-month period (a “Renewal Term” and, together with the Initial Term, the “Term”). To ensure that Customer will not experience an interruption in access to the Platform, in the event of non-renewal of this Order Form, Customer’s account will revert to a month-to-month subscription plan at the then-current list pricing governed by the Terms of Service.

2. **Platform Fees.** For the Initial Term, Customer will pay Spreedly the “Annual Platform Fee” in Table 1 which entitles Customer to access and use the services of the Spreedly Platform as set out in the applicable Documentation, including:

- access to Level 1 PCI Compliant Card Storage and Tokenization;
- connections to any of Spreedly’s Supported Gateway integrations;
- use of existing 3DS2 services and gateway Supported Payment Methods; and
- all currently available Payment Method Distribution receiver endpoints.

3. **API Usage Fees.** In addition to the Annual Platform Fee, Spreedly will bill Customer an “API Usage Fee” monthly in arrears at a rate of \$0.0200 per API call to the Spreedly Platform.

4. **Renewal Fees.** Except as otherwise agreed by the Parties in writing, this Order Form will automatically renew as described in Section 1 at the same committed API usage and the Annual Platform Fee and API Usage Fee will increase by 6% over the prior 12-months in each successive Renewal Term.

5. **Advanced Vault.** Spreedly's Advanced Vault service will be charged the greater of (i) the rate corresponding to the number of enrolled payment methods in each month of service as set out in Table 2 below or (ii) the minimum committed fee of \$500.00 per month. Costs are exclusive of fees imposed by the card associations and/or third-party service providers (e.g. card updates, tokenization, etc.) which will be passed through to Customer and are subject to change at any time. For the avoidance of doubt, Customer will still be charged the third party fee each time a payment card is updated. Spreedly will make reasonable efforts to notify Customers in advance of changes in third party fees.

If in any given month, the total fees for Customer's enrolled payment methods increases by more than that month's discount installment of \$500.00 over the fees for prior month, this discount will be immediately discontinued.

By using Advanced Vault, Customer agrees that any updates to payment card information may be used by Spreedly to improve or provide payment services on its Platform.
