Order Form Issued: April 25, 2025

Offer Valid Until: May 1, 2025

This Order Form is entered into between the entity identified above as "Customer" and Spreedly, Inc. (each a "Party" and collectively, the "Parties") as of the last day it is signed (the "Order Form Effective Date") and is subject to the Spreedly Terms of Service located at <https://www.spreedly.com/terms-of-service> ("Terms of Service").

In the event of any conflict between the terms of the Agreement and this Order Form, the Order Form will govern. Capitalized terms used but not defined in this Order Form have the meanings set forth in the Terms of Service or in the Documentation.

1. **Term.** The Initial Term of this Order Form is 12-months, after which this Order Form will terminate unless the parties agree in writing to renew for an additional 12-month period (a "Renewal Term" and, together with the Initial Term, the "Term"). To ensure that Customer will not experience an interruption in access to the Platform, if Customer continues to use the service after non-renewal of this Order Form, Customer's account will revert to a month-to-month subscription plan at the then-current list pricing governed by the Terms of Service. The services and Initial Term will begin June 30, 2025.

2. **Platform Fees.** For each Contract Year, Customer will pay Spreedly the "Annual Platform Fee" in Table 1 which entitles Customer to access and use the services of the Spreedly Platform as set out in the applicable Documentation, including:

- access to Level 1 PCI Compliant Card Storage and Tokenization;
- connections to any of Spreedly's Supported Gateway integrations;
- use of existing gateway Supported Payment Methods;
- all currently available Payment Method Distribution receiver endpoints.

Table 1	
Annual Platform Fee:	\$15,000.00
API Usage Fee:	
Cost per API call - \$0.05	
Business Support	Included
Committed Annual Fees	\$15,000.00

3. **API Usage Fees.** In addition to the Annual Platform Fee, Spreedly will bill Customer an "API Usage Fee" monthly in arrears at a rate of \$0.05 per API call to the Spreedly Platform.

4. **Recover.** Spreedly's Recover service will automatically retry declined transactions on one or more backup gateways designated by and under conditions set by Customer as stated in the product documentation at <https://developer.spreedly.com/docs/transaction-retry>.

Spreedly will not charge for Recover services for the first 30-days beginning when Customer either: (1) includes its first retry object in a transaction call to Spreedly's transaction API; or (2) first uses a retry object in an automated routing workflow. After the trial period ends, Customer will only be charged for Recovered Transactions (defined below) at a rate of 5% of the transaction value in the "amount" field of the Recovered Transaction. No charges will incur for transactions that retry but fail on Customer's backup gateway(s).

Recover will be charged monthly in USD. For transactions recovered in currencies other than USD, Spreedly will convert the fee amount to USD as described in the Documentation.

"Recovered Transaction" means a transaction of any type that was unsuccessful on the first attempt for any reason, which by way of invoking the Recover function resulted in success on a subsequent attempt.

5. Renewal Fees. Except as otherwise agreed by the Parties in writing, this Order Form will automatically renew as described in Section 1 at the same committed usage (if any). The Annual Platform Fee and the API Usage Fee will be renewed at the then-current list pricing at time of renewal.

6. Support Services. Customer has selected Business Support. Upon payment of the applicable fees, Spreedly will provide the technical Support Services in accordance with the Support Service Terms posted at <https://www.spreedly.com/support-services-terms> at the support level specified in this Order Form.

7. Payments. Customer will pay the Committed Annual Fees in equal monthly installments. Additional API Usage Fees (if any) are invoiced monthly in arrears at the rates stated in this Order Form. All Fees are due and payable within 30 days of the invoice date and are subject to the terms prescribed in the Terms of Service.

Customer authorizes Spreedly to charge its credit card on file immediately prior to the start of services for the first month's Committed Monthly Fees and in recurring monthly installments. Customer must comply with third-party payment processor terms and keep card details current.

If Customer fails to make any payment when due then, in addition to all other remedies that may be available, Spreedly may charge interest on the past due amount at the rate of 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law.
