Order Form Issued: December 31, 2024

Offer Valid Until: December 31, 2024

This Order Form is entered into between the entity identified above as "Customer" and Spreedly, Inc. (each a "Party" and collectively, the "Parties") as of the last day it is signed (the "Order Form Effective Date") and is subject to the Spreedly Terms of Service located at <https://www.spreedly.com/terms-of-service> ("Terms of Service").

In the event of any conflict between the terms of the Agreement and this Order Form, the Order Form will govern. Capitalized terms used but not defined in this Order Form have the meanings set forth in the Terms of Service or in the Documentation.

1. **Term.** The Initial Term of this Order Form is 12 months, after which this Order Form will automatically renew for successive 12-month periods (each, a "Renewal Term" and, together with the Initial Term, the "Term") unless either party has provided written notice of its intent to not renew not less than 60 days prior to the expiration of the then-current Initial or Renewal Term. Each 12 months of service is a "Contract Year". Notwithstanding the foregoing, Customer may terminate this Order Form without penalty by sending written notice to support@spreedly.com on or before January 3, 2025.

2. **Platform Fees.** For each Contract Year, Customer will pay Spreedly the "Annual Platform Fee" in Table 1 which entitles Customer to access and use the services of the Spreedly Platform as set out in the applicable Documentation, including:

- access to Level 1 PCI Compliant Card Storage and Tokenization;
- connections to any of Spreedly's Supported Gateway integrations;
- use of existing 3DS2 services and gateway Supported Payment Methods;
- all currently available Payment Method Distribution receiver endpoints.

Table 1	
Annual Platform Fee:	\$24,000.00
API Usage Fee:	\$90,000.00
Included API Calls – 6,000,000	
Cost per API Call – \$0.0015	
Advanced Vault - See section 5 below	\$6,000.00
Business Support	Included
Committed Annual Fees	\$120,000.00

3. **API Usage Fees.** . In addition to the Annual Platform Fee, Customer is pre-purchasing 6,000,000 API calls to the Spreedly Platform at a cost of \$0.0015 per call ("API Usage Fee") to be utilized during the Initial Term. If Customer exceeds 6,000,000 API calls in any Contract Year, Spreedly will charge Customer monthly in arrears an overage rate determined by the contract month in which Customer first exceeds the pre-purchased API calls.

- If the overage first occurs in months 1 through 10 of the Contract Year, Spreedly will charge 2 times the rate for the pre-purchased API calls for the remainder of the same Contract Year.

- If the overage first occurs in months 11 or 12 of the Contract Year, Spreedly will charge 1.5 times the rate for the pre-purchased API calls for the remainder of the same Contract Year.

4. **Recover.** Spreedly's Recover service will automatically retry declined transactions on one or more backup gateways designated by and under conditions set by Customer as stated in the product documentation at <https://developer.spreedly.com/docs/transaction-retry>.

Spreedly will not charge for Recover services for the first 30-days beginning when Customer either: (1) includes its first retry object in a transaction call to Spreedly's transaction API; or (2) first uses a retry object in an automated routing workflow. After the trial period ends, Customer will only be charged for Recovered Transactions (defined below) at a rate of 5% of the transaction value in the "amount" field of the Recovered Transaction. No charges will incur for transactions that retry but fail on Customer's backup gateway(s).

Recover will be charged monthly in USD. For transactions recovered in currencies other than USD, Spreedly will convert the fee amount to USD as described in the Documentation.

"Recovered Transaction" means a transaction of any type that was unsuccessful on the first attempt for any reason, which by way of invoking the Recover function resulted in success on a subsequent attempt.

One-Time Recover Credit. If this Order Form becomes effective on or before December 31, 2024, Spreedly will apply a credit of \$20,000.00 against Recover Fees during the first Contract Year. For clarity, during the first Contract Year, Spreedly will only charge Customer for Recover services after the aggregated Fees for those services exceed \$20,000.00

5. **Renewal Fees.** Except as otherwise agreed by the Parties in writing, this Order Form will automatically renew as described in Section 1 at the same committed API usage. The Annual Platform Fee and the API Usage Fee will increase by 6% over the prior 12-months in each successive Renewal Term.

6. **Advanced Vault.** Spreedly's Advanced Vault service will be charged the greater of (i) the rate corresponding to the number of enrolled payment methods in each month of service as set out in Table 2 below or (ii) the minimum committed fee of \$500.00 per month. Costs are exclusive of fees imposed by the card associations and/or third-party service providers (e.g. card updates, tokenization, etc.) which will be passed through to Customer and are subject to change at any time. For the avoidance of doubt, Customer will still be charged the third party fee each time a payment card is updated. Spreedly will make reasonable efforts to notify Customers in advance of changes in third party fees.

Table 2	
Monthly Fee Per Payment Method	Minimum Monthly Fee
\$0.0250	\$500.00

By using Advanced Vault, Customer agrees that any updates to payment card information may be used by Spreedly to improve or provide payment services on its Platform. Customer authorizes Spreedly to act on Customer's behalf to (i) request and retain a Token Requestor ID from applicable card issuers, and (ii) use the Token Requestor ID to provision network tokens where available.

7. **Support Services.** Customer has selected Business Support. Upon payment of the applicable fees, Spreedly will provide the technical Support Services in accordance with the Support Service Terms posted at <https://www.spreedly.com/support-services-terms> at the support level specified in this Order Form.

8. **Payments.** Customer will pay the Committed Annual Fees in equal monthly installments of \$10,000.00 and additional charges for Advanced Vault, Recover, and API Usage Fees (if any) will be added to such monthly payments. All payments are due and payable within 30 days of Spreedly's invoice date and are subject to the payment terms prescribed in the Terms of Service.
